Dear Parents & Students,

I hope you had a healthy & restful summer. It was an incredibly short and difficult summer for the Day-Javkhlan Family. My dear Mother passed away and we have cycled through now our second battle with COVID. I am overwhelmed at the thought of starting school again, but I know being with my students and making music together will help me heal. I have learned a valuable lesson this summer that there are many in my village, including you that are here to support and help me and my family and I am grateful for that. Please reach out if you have questions or ideas or want to help, it is always welcome. Many hands make light work. As we are returning this year, we still have some ground to recover regarding our playing skills. I will continue to reinforce, review and refine the necessary techniques for your children to become stronger and better players. I will continue to have them work on individual skills to help themselves and our ensemble. I am looking forward to a rewarding school year. I love teaching, my students bring me so much joy and excitement. As always, if you ever have questions or concerns I will gladly answer them. Email is the best way to reach me, and per our fcps policy I will answer within 48 hours.

Sincerely,

Mrs. Alicia Day Javkhlan

Office Hours

Assessment & Grading

The focus of assessment is to provide feedback on a students' learning process and to measure students' level of performance. Information generated through assessments is used by the teacher and students to reflect and then make adjustments in the learning process that increase student learning over time.

At West Potomac, we believe in the following pillars and principles as the foundation of our assessment and grading of student learning.

1. *Grades help students achieve academic success, support the development of a growth mindset, and give students opportunities for redemption.*
2. *Fair and transparent grading policies help students to know their level of master at any point in time, enabling them to reach or exceed mastery of course content and skills.*
3. *Grades are based on valid evidence of a student's mastery of content knowledge and skills.*
4. *Grades are based on calculations that are mathematically sound, easy to understand, and correctly describe a student's level of mastery of course content and skills.*

Grading Policy

West Potomac is using a whole number 4.0 Scale for all courses.

4	The student <i>demonstrates</i> inferences and applications that go beyond what was taught in class.
3	The student demonstrates <i>no errors or omissions</i> relative to complex ideas and processes nor simple details and processes.
2	The student demonstrates <i>understanding</i> of simple ideas and processes and <i>major errors or omissions</i> with more complex ideas and processes.
1	<i>With help</i> the student demonstrates <i>partial understanding</i> of simple ideas and processes and <i>no understanding</i> of more complex ideas and processes.

the rolling gradebook. This is to ensure that teachers have the time necessary to grade assignments with the care and concern each assignment deserves.

Late Work/Make-up Work

Students will sometimes need flexibility to meet deadlines. Therefore, assignments are accepted after assigned due dates following these guidelines.

- All assignments for the quarter will be accepted with no penalty up until the end of the quarter.

Redoing Assessments

Teachers want students to be successful and to learn. Therefore, students are encouraged to redo/resubmit assessments in an effort to demonstrate their understanding of a concept. Students may redo/resubmit assignments within the following parameters:

- All redone assessments for the quarter will be accepted with no penalty up until the end of the quarter. For redone assessments, the highest score prevails in the gradebook.

West Potomac High School celebrates Winter and Spring Break as family time, that is homework free time. No homework will be assigned over the break.

If students are assigned a long-term project that spans the time of the break:

- No major assessment can be given on the first silver day or the first blue day upon returning from break.
- Students will have time in class to complete assignments.
- Students will have enough time out of class to prepare for the assignment while keeping the Winter and/or Spring Break homework free.

Understanding Grade Reports

The following comment codes MAY appear on grade reports at any point during the year (NOTE: Individual teachers may not use all of the following Grading Codes):

Below is what is common across the school

NTI - Not Turned In and is recorded as a zero until the work is received from the student.

HCR - "Honor Code" - Student's work is under review for a possible Honor Code violation.

Grades will be resolved after the Honor Code violation process has been resolved.

☐ **MIP** Mastery in Progress

The grades in SIS under GradeBook are the most current and reflect any changes that may have occurred since printing of report cards. In SIS, when you click on Report Card, you will see the marks that were printed at the time report cards were sent home. The gradebook marks will be used to determine final marks in courses. As always, if you have questions about your student's grades, please contact the teacher.

Rolling Gradebook and Final Grade Calculation

West Potomac has adopted a Rolling Gradebook. Grades posted quarters 1-3 are snapshots of where students' are at the moment in time. Final course grades are determined by the sum total of assignments across the entire school year, plus a final exam.

Fairfax County Public Schools Grading Scale

Grades posted at the end of each quarter and for the final course grade will align with the FCPS scale.

The option to rent a school owned instrument for home and school use is available too. You may also choose to purchase an instrument. Those same stores that rent also sell. If you are thinking about purchasing an instrument, please speak with Mrs. Day Javkhlan. I want you to get the best instrument that you can for the right price. It is a big decision to purchase an instrument so you should feel confident and comfortable in your choice and it's my hope that you will consult me to help you with this decision.

Attendance & Participation

Attendance is required at all Concerts & Dress Rehearsals.

Excused absences include severe illness, or death in the family. If students have a personal crisis/emergency, please come and see or email Mrs. Day Javkhlan. If you simply miss, and do not tell me I cannot give you an opportunity to make anything up. If you come and talk with me I am sure a solution can be reached that is mutually acceptable for the Orchestra and for you. Please note the acceptable excused absences above.

Unacceptable reasons for absence include; SAT class, Behind the Wheel, Babysitting, and Lack of Ride. If you are granted an excused absence for a Concert or Dress Rehearsal an alternate assignment will be assigned at the discretion of Mrs. Day Javkhlan. Students must notify Mrs. Day Javkhlan at least 2 weeks prior to a concert or rehearsal if an excused absence is being requested. A signed note from a parent or guardian must accompany any verbal notification.

When a dress rehearsal is scheduled, students must arrive at least 10 minutes early to warm up and prepare. The scheduled rehearsal will start on time. Be on time to respect the rehearsal time that has been set-aside for the group.

• Rehearsals

Some after school rehearsals will be necessary. Mrs. Day Javkhlan reserves the right to call a rehearsal at any time. I understand that there will be possible conflicts. Please let me know as soon as possible. I will do everything in my power to give you as much notice as possible. Please remember we are a team of musicians and it's important for every member to be at every rehearsal.

CONDUCT

Respect is paramount in my classroom. We cannot have a good teacher student relationship if this is not present. Respect is expected for me and for your classmates. Respect is not only for individuals, but also for their thoughts, actions and ideas. Through music we share many thoughts and ideas and expressions. Please be respectful of everyone's views and ideas. Respect is expected for the Facility, Instruments and Equipment. This is especially important for some of our aging instruments. Treat the instruments as if they were your own. Care for them on a daily basis; keep them clean and free from markings. If you notice something wrong with the instruments please bring it to my attention so it can be resolved. Respect the process of a rehearsal. Your Participation in a conversation during rehearsal or in a conversation taking place on your phone is not respectful. We have little time and must use it to the fullest to be able to achieve greatness. Our chairs and stands are very expensive. They may not look like it, but they are. Please refrain from putting anything other than your folder, music and a pencil on them. There will be absolutely no food permitted in the classroom while instruments are out. There will be no drinks other than water permitted in the classroom. There will be no gum allowed at any time.

MUSIC

All Music will be provided for you by WPHS. You will have practice copies for home and Originals here at WP. It is mandatory that you bring your practice copies to class to make any markings that were discussed in rehearsal. Copies are only to be made by Mrs. Day Javkhlan. Any other copies must seek permission from Mrs. Day Javkhlan.

PRACTICE

All Orchestra students must practice outside of class. This practice will be evident in their daily performance during rehearsals. Furthermore, this practice will be graded on Tests & Quizzes. Individual practice is a Mandatory part of being a member of a performing arts group.

UNIFORMS

All Orchestra Students are required to have a uniform. Please see the Financial section of the Orchestra Handbook for details about the uniforms. We will hold off on sizing students and ordering uniforms until we know what the future of this year will look like.

INSTRUMENTS/INSTRUMENT LOCKERS

As a member of a performing ensemble, you are required to have an instrument during every class period. FCPS can provide instruments for those students who meet the financial need. Please see the Financial section of the handbook for further explanation. If you wish to rent an instrument from West Potomac High School please see the fee schedule in the Financial section of the handbook. There will not be instruments available for students who forget their instruments. Having an instrument to play during class means that you are able to actively participate. If you do not have one you cannot contribute to the rehearsal musically.

Instrument Lockers are available for use by students who wish to bring their instrument from home. The Storage room is located in the back of room 524 and has individual lockers for students to store their instruments in. Instruments not owned by WPHS are kept there at your own risk. The instrument storage room will remain open during the day and will be locked each day at ~3:30pm. Students should use the storage room responsibly. Personal and school instruments should remain locked. Students will be issued locks and lockers on the first day of school. Students should not share locker combinations with anyone.

SECTIONALS

Last year we had the opportunity to learn from professionals in our community. We will continue to do that this year as well but we will hold those during class time as much as possible.

SEATING

Violin Students will have the opportunity to discuss section seating with Mrs. Day Javkhlan. We Can together talk about the responsibilities of each section and see which one will work best for your student. Mrs. Day Javkhlan reserves the right to re-assign seating based on performance on Test & Quizzes. All Tests for seating in sections will be done in class and will be Blind. This will allow for the most fair seating. If students are unhappy with a grade on a test or quiz, they may retake for a better grade but not for a better seat. If students are tied with points, then Mrs. Day Javkhlan will hear all students who are tied again and make a final decision. Mrs. Day Javkhlan reserves the right to place tied students according to her musical expertise.

LEADERSHIP

This year our students will have several opportunities to be leaders within the classroom. Those opportunities and office descriptions will be listed below. Any student wishing to serve in any capacity must fill out a leadership application and return it to Mrs. Day Javkhlan

1. **President-** Must be a member of the Symphonic Orchestra. This student will be the community voice of our Orchestra (along with Mrs. Day Javkhlan). You will be needed to help coordinate and perform outreach to community members. You will also help within the classroom, you will be the one students come to with suggestions for improvement or activities or musical selections. You will fuel the motivation and camaraderie of the group. You will also serve as a representative to the SGA to help our groups become more a part of the Spirit of West Potomac High School Community. This student will also help substitute teachers with plans, attendance and running rehearsals in Mrs. Day Javkhlan's absence.
2. **Vice President-** Must be a member of the Concert Orchestra. This Student will have the same responsibilities as the President but will be for our underclassmen or members of the Concert Orchestra.
3. **Historian-** This student will be at Orchestra events with a Camera. It will be your duty to assist booster members in collecting pictures of the group. You will also be authorized to help with publicity for the group and to assist in memory making from concerts, to awards and plaques and certificates.
4. **Social Chair-** This will be a position in each Orchestra. This student will be responsible for coordinating monthly activities during class for our orchestra. They will also be responsible for creating other outside of school opportunities for our group to do together. For example, eating dinner out together, attending a concert, going to a football game, laser tag, and any more that you can think of.
5. **Social Media Outreach-** This student will be responsible for helping coordinate our social media accounts. Which include Twitter, Facebook and Instagram. You will work in conjunction with Mrs. Day Javkhlan & the Publicity Booster Chair in sending reminders and announcements for upcoming events and sharing important orchestra events. This Student must be in Symphonic Orchestra.

In addition to these elected positions, every student will serve on an orchestra committee this year. This will help the orchestra events to run more smoothly, help students to have more ownership of the success of events and programs and will help the orchestra have a deeper camaraderie. Committees will do things such as setup, or tear-down at concerts/events, marketing, social events and more.

OUTSIDE OF SCHOOL MUSIC OPPORTUNITIES

We live in a rich environment for music in Northern Virginia. Our Students have the opportunity to be very much musically involved in our community and to support our local music community. There are Youth Orchestras and Community Orchestras that our students can take advantage of. I always recommend that my students have the opportunity to play in a Full Orchestra (strings, woodwinds, brass & percussion). We do that here at West Potomac twice a year, but playing outside of school gives the students the opportunity to play great masterpieces. If you would like a list of Youth Orchestras for your student then simply email me and I will be happy to let you know about them.

Community Orchestras are a great resource. We are surrounded by them, we have them in almost every NOVA city. They are professionals on their instruments and are paid for the services they perform. They also come into our classroom on occasion and give us “help” or coaching as we like to call it in the music world. If you would like to take your student to see any of these Orchestras please let me know and I will be happy to give you a list or website for the group.

PINS, LETTERS & AWARDS

Students who attend all Concerts, Dress Rehearsals, Rehearsals and participate in 3 outside of School activities related to their instrument, will receive an Orchestra Letter.

Students who have met the requirement for an Orchestra Letter in a previous year and again meet that requirement will receive an Orchestra Pin.

Outside activities can include but are not limited to; District Orchestra (Audition or Participation), Regional Orchestra (Audition or Participation), Solo & Ensemble Festival, Youth Orchestra, Giving Private lessons to a Younger Student.

Musicianship Award

This student will exhibit a passion and dedication for Music, not just Orchestra or their instrument. They will consistently have mastered technique that has been asked of them. They will show a superior level of playing in our Orchestra and in the community and County at District events. They will be an example to others of hard work, dedication and commitment to the music department at West Potomac and to their teachers and classmates.

Directors Award

This student will exhibit leadership throughout the school year. They will exhibit leadership in and outside of the Orchestra classroom. They will be an integral part of the spirit of the Orchestra. They will encourage others to be involved and dedicated. They will be eligible to receive an Orchestra Pin or Letter.
